

ASHWATH JOHN

Software Developer

Email: ashwathjohnkottayil@gmail.com Phone: 7676144495 [LinkedIn](#) [Portfolio](#) Bengaluru

Summary:

Passionate MERN Stack Developer with hands-on experience building scalable and responsive full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Skilled in developing RESTful APIs, authentication systems, database management, and responsive user interfaces. Experienced in deploying applications using Vercel and Render, with strong understanding of modern web development workflows, Git/GitHub collaboration, and performance optimization. Seeking full-time MERN Stack Developer opportunities in startup and product-based environments.

Skills:

Languages: JavaScript, PHP, HTML5, CSS3, C Programming, Python

Frontend: React.js, Tailwind CSS, Bootstrap, Responsive UI Design

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MySQL, PostgreSQL

Tools & Platforms: Git, GitHub, Postman, Vercel, Render, Clerk Authentication

Core Concepts: Full-Stack Development, API Integration, Authentication, CRUD Operations, Database Management, Responsive Web Design

Projects:

BITEALES: A Food Ordering Web Application | [LINK](#)

Technologies Used: React.js, Node.js, Express.js, MongoDB, Stripe

- Developed a MERN-based food ordering platform with menu browsing, cart management, authentication, and secure payment integration.
 - Built responsive frontend interfaces using React.js and Tailwind CSS for seamless user experience across devices.
 - Designed backend REST APIs using Node.js and Express.js for order management and real-time data handling.
 - Integrated MongoDB for efficient database management and deployed the application using Vercel and Render.
-

Professional Experience:

Zephyr Technologies, Mangaluru

Full-Stack Developer Intern | June 2025 – July 2025

- Developed responsive web interfaces using React.js, HTML, CSS, and JavaScript to improve cross-device user experience.
 - Assisted in backend integration and API handling using Node.js and Express.js.
 - Collaborated on debugging, testing, and improving application performance under senior developer guidance.
 - Worked with Git/GitHub for version control and project collaboration.
-

Education:

- **Bachelor of Computer Applications**
Nitte Deemed to be University| 9.4/10 CGPA
Karkala | 2023 - 2026
- **Pre University Examination**
Jnanodaya Bethany PU College| PCMC| 89%
Nelyadi | 2021 - 2023
